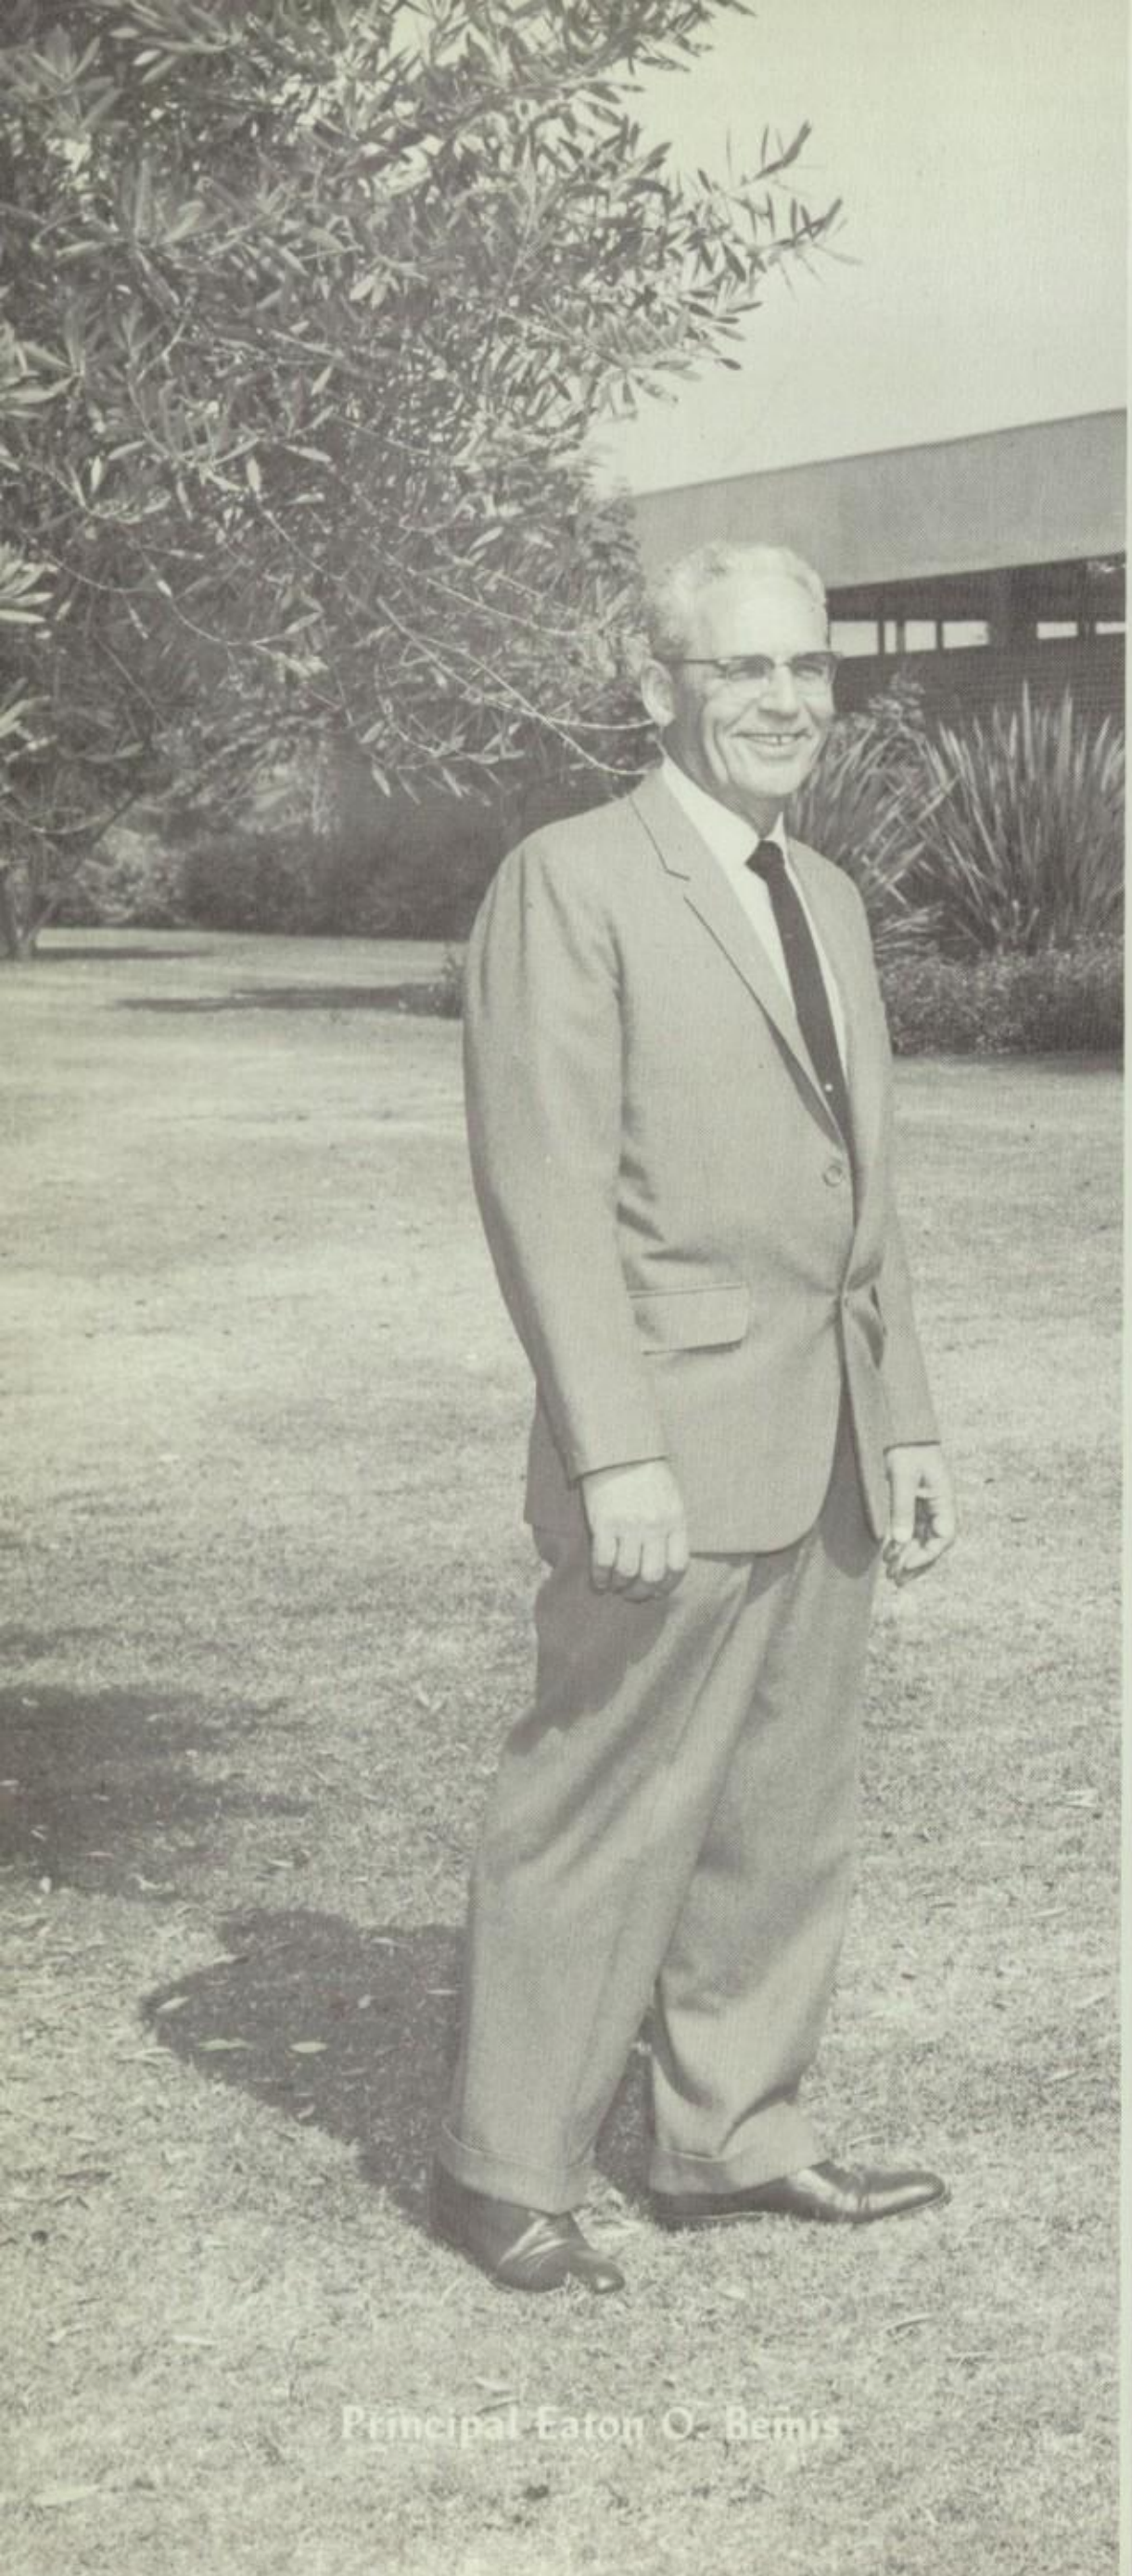
We Proudly Dedicate Our '62 Aries to Mrs. Elizabeth Hudson

Posed for the dedication are Pam Turner, Dick Williams, Laurel Winnik, MRS. HUDSON, Mr. Bemis, Stan Wallace, Cathy Carter, and John Champlin.

Mrs. Hudson, known for her outstanding service in education and welfare, has devoted her life in helping young people. As recognition to her fine work Millikan High School chose to name their Future Teachers of America Chapter in her honor, making it the **Elizabeth Hudson Chapter.** A native of Le Mars, Iowa, Mrs. Hudson was graduated from high school at Fort Dodge, Iowa; four years later she received the Bachelor of Arts degree from Iowa State Teachers College, Cedar Rapids, Iowa. Mrs. Hudson did graduate work at the University of California in Berkeley, at Occidental College Extension, and at the University of California Extension. During her teaching career she taught five years in Iowa and Minnesota; in Long Beach she taught kindergarten for eight years. Since 1945 Mrs. Hudson has been a member of the Long Beach Board of Education, holding the office of president for five years and vice-president for one year. Mrs. Hudson has been a member of the California School Board Association for many years, of which two years (1954-56) were devoted to being president. The Rick Rackers, a local service organization, named her "Woman of the Year" for 1956-57. Last year Mrs. Hudson was one of the three school board members who represented the entire United States at the Council on Teacher Education and Standards in Washington, D. C. Mrs. Hudson has worked with the Council on Teacher Education and Standards for many years, culminating in the founding of the Long Beach Benjamin F. Tucker School, a school for the physically handicapped and cerebral palsied. Mrs. Hudson is a member of the Los Angeles County Schools Trustees Association; the National School Boards Association; and the American Association for Childhood Education in Long Beach, of which she is the organizing president. She is the past-president of Ebell. In addition to her many education activities, Mrs. Hudson has served three years on the Budget Committee of Long Beach; has been affiliated for seventeen years with the Long Beach Community Chest, serving four years as president with the Long Beach Chapter for Infantile Paralysis; is a member of good standing for many years with the American Association of University Women; is past-president of the Women's Committee for the Los Angeles Philharmonic Orchestra; is an active member of C.B. of P.O.E. Also, Mrs. Hudson is a member of the Town and Gown Society at U.S.C. She is an honorary member of Delta Kappa Gamma, Chapter Iota; Zonta International, Long Beach Chapter; and the Association for Childhood International. MRS. HUDSON HAS ALWAYS BEEN INTENSIVELY INTERESTED IN MILLIKAN HIGH SCHOOL, FOR OUR SCHOOL HAS ALWAYS MEANT MUCH TO HER. BEFORE DR. GAIL HUDSON'S DEATH, HE STATED THAT, ALTHOUGH MRS. HUDSON HAD RECEIVED MANY HIGH HONORS, THE HONOR OF HAVING THE MILLIKAN F.T.A. NAMED AFTER HER WAS THE GREATEST TRIBUTE OF ALL; IT ESPECIALLY WARMED HER HEART. Yes, Mrs. Hudson is a great woman — a woman all students will remember. It is good to have a person who cares in a fast-moving, complex technological world — a world that needs the human personality.

ADMINISTRATION and FACULTY



Principal Eaton O. Bemis

Millikan High School is proud of its part in our country's great free public educational system, established by this nation to perpetuate itself and its ideals.

Now the nation and its ideals are being tried and tested as never before. The next few years may well determine whether or not we survive as a free and independent people. Its future is in the hands of its school age group today. You are our strongest bulwark, and you are all we have. The challenge is awesome.

We are gravely concerned if numbers of you are wasting your abilities, "living it up" irresponsibly. We are equally or more concerned if some of those with great ability and keen intellectual drive are developing outstanding intellectual and technical competencies but, with blunted moral concepts, have in mind only "what's in it for me?" We are proud of the great preponderance of you who seriously and purposively forge ahead, doing your very best to carry the load the present generation has thrust upon you.

Mr. K. of the U.S.S.R. goads the youth of that country with his "a communist has no right to be a mere on-looker."

Mr. K. of the U.S.A. urges the youth of this country with his "ask what you can do for your country."

The dictator can enforce performance—from each one. The democratic leader must rely upon each one self-imposing his tasks to meet the national need. Each individual counts; each failure weakens just as each success builds national strength.

Will self-accepted all-out effort by free and independent youth here equal and overcome dictator-imposed tasks and goals there? YOU determine the outcome—in the next, so few years.

Caretakers and Gardeners

Millikan's caretakers and gardeners work very hard keeping our campus free from debris. They constantly pick up paper that is tossed about our beautiful campus. Moreover, they will pick up paper without complaining. The ARIES staff would like to make a brief tribute to the men who keep our campus clean and beautiful—the caretakers and gardeners.

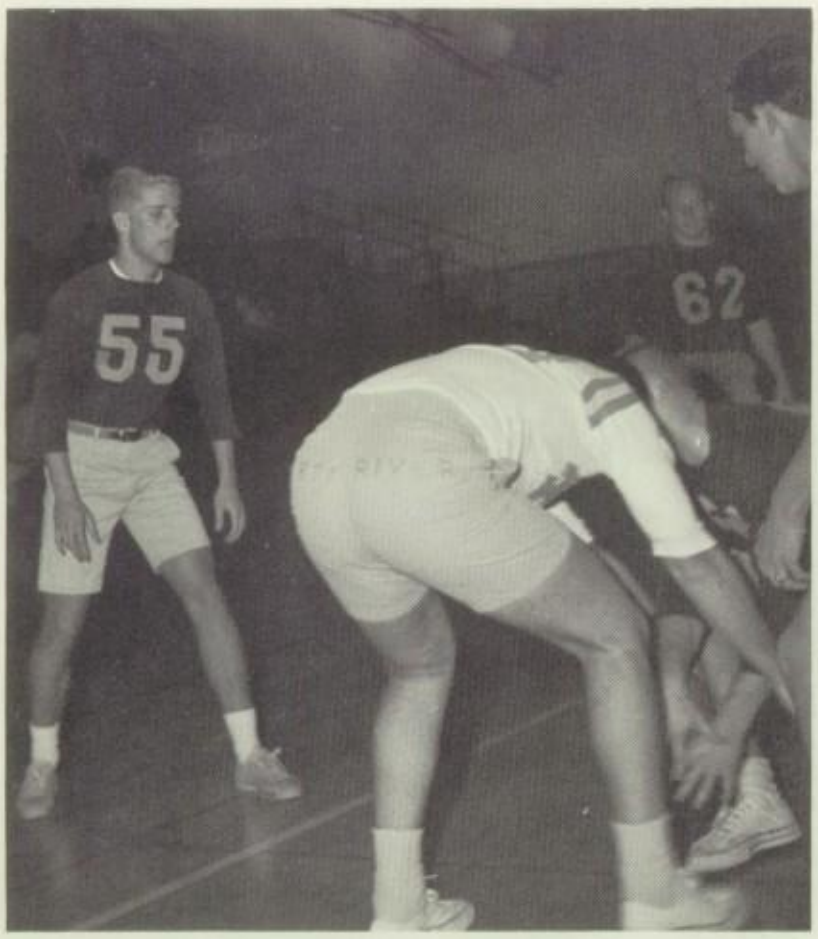
Dirty River Game



Dirty River will stoop to anything to get points.

Dirty River practices ballet lessons.

"Look out. It's all mine."

"Everyone join partners for the square dance."

"Mousey" Meckna, "Baby-Face" Miles, "Slinker" Simmons, "Alfonse" MacQuardie, "Enforcer" Eshleman—all bad guys—prepare for a daring robbery of the student body bank.

"Honest Abe" Wallace, "Eliot" Evans, "Sweetie" Swanson, "What Me Worry" Wise—members of the good guys—are shown after the capture of the members of the gang shown at the left.

Mike MacQuarrie Visits Japan

The wonderful Kotani family of Tokyo await Mike's arrival.

Mother Kotani visits with her "little boy."

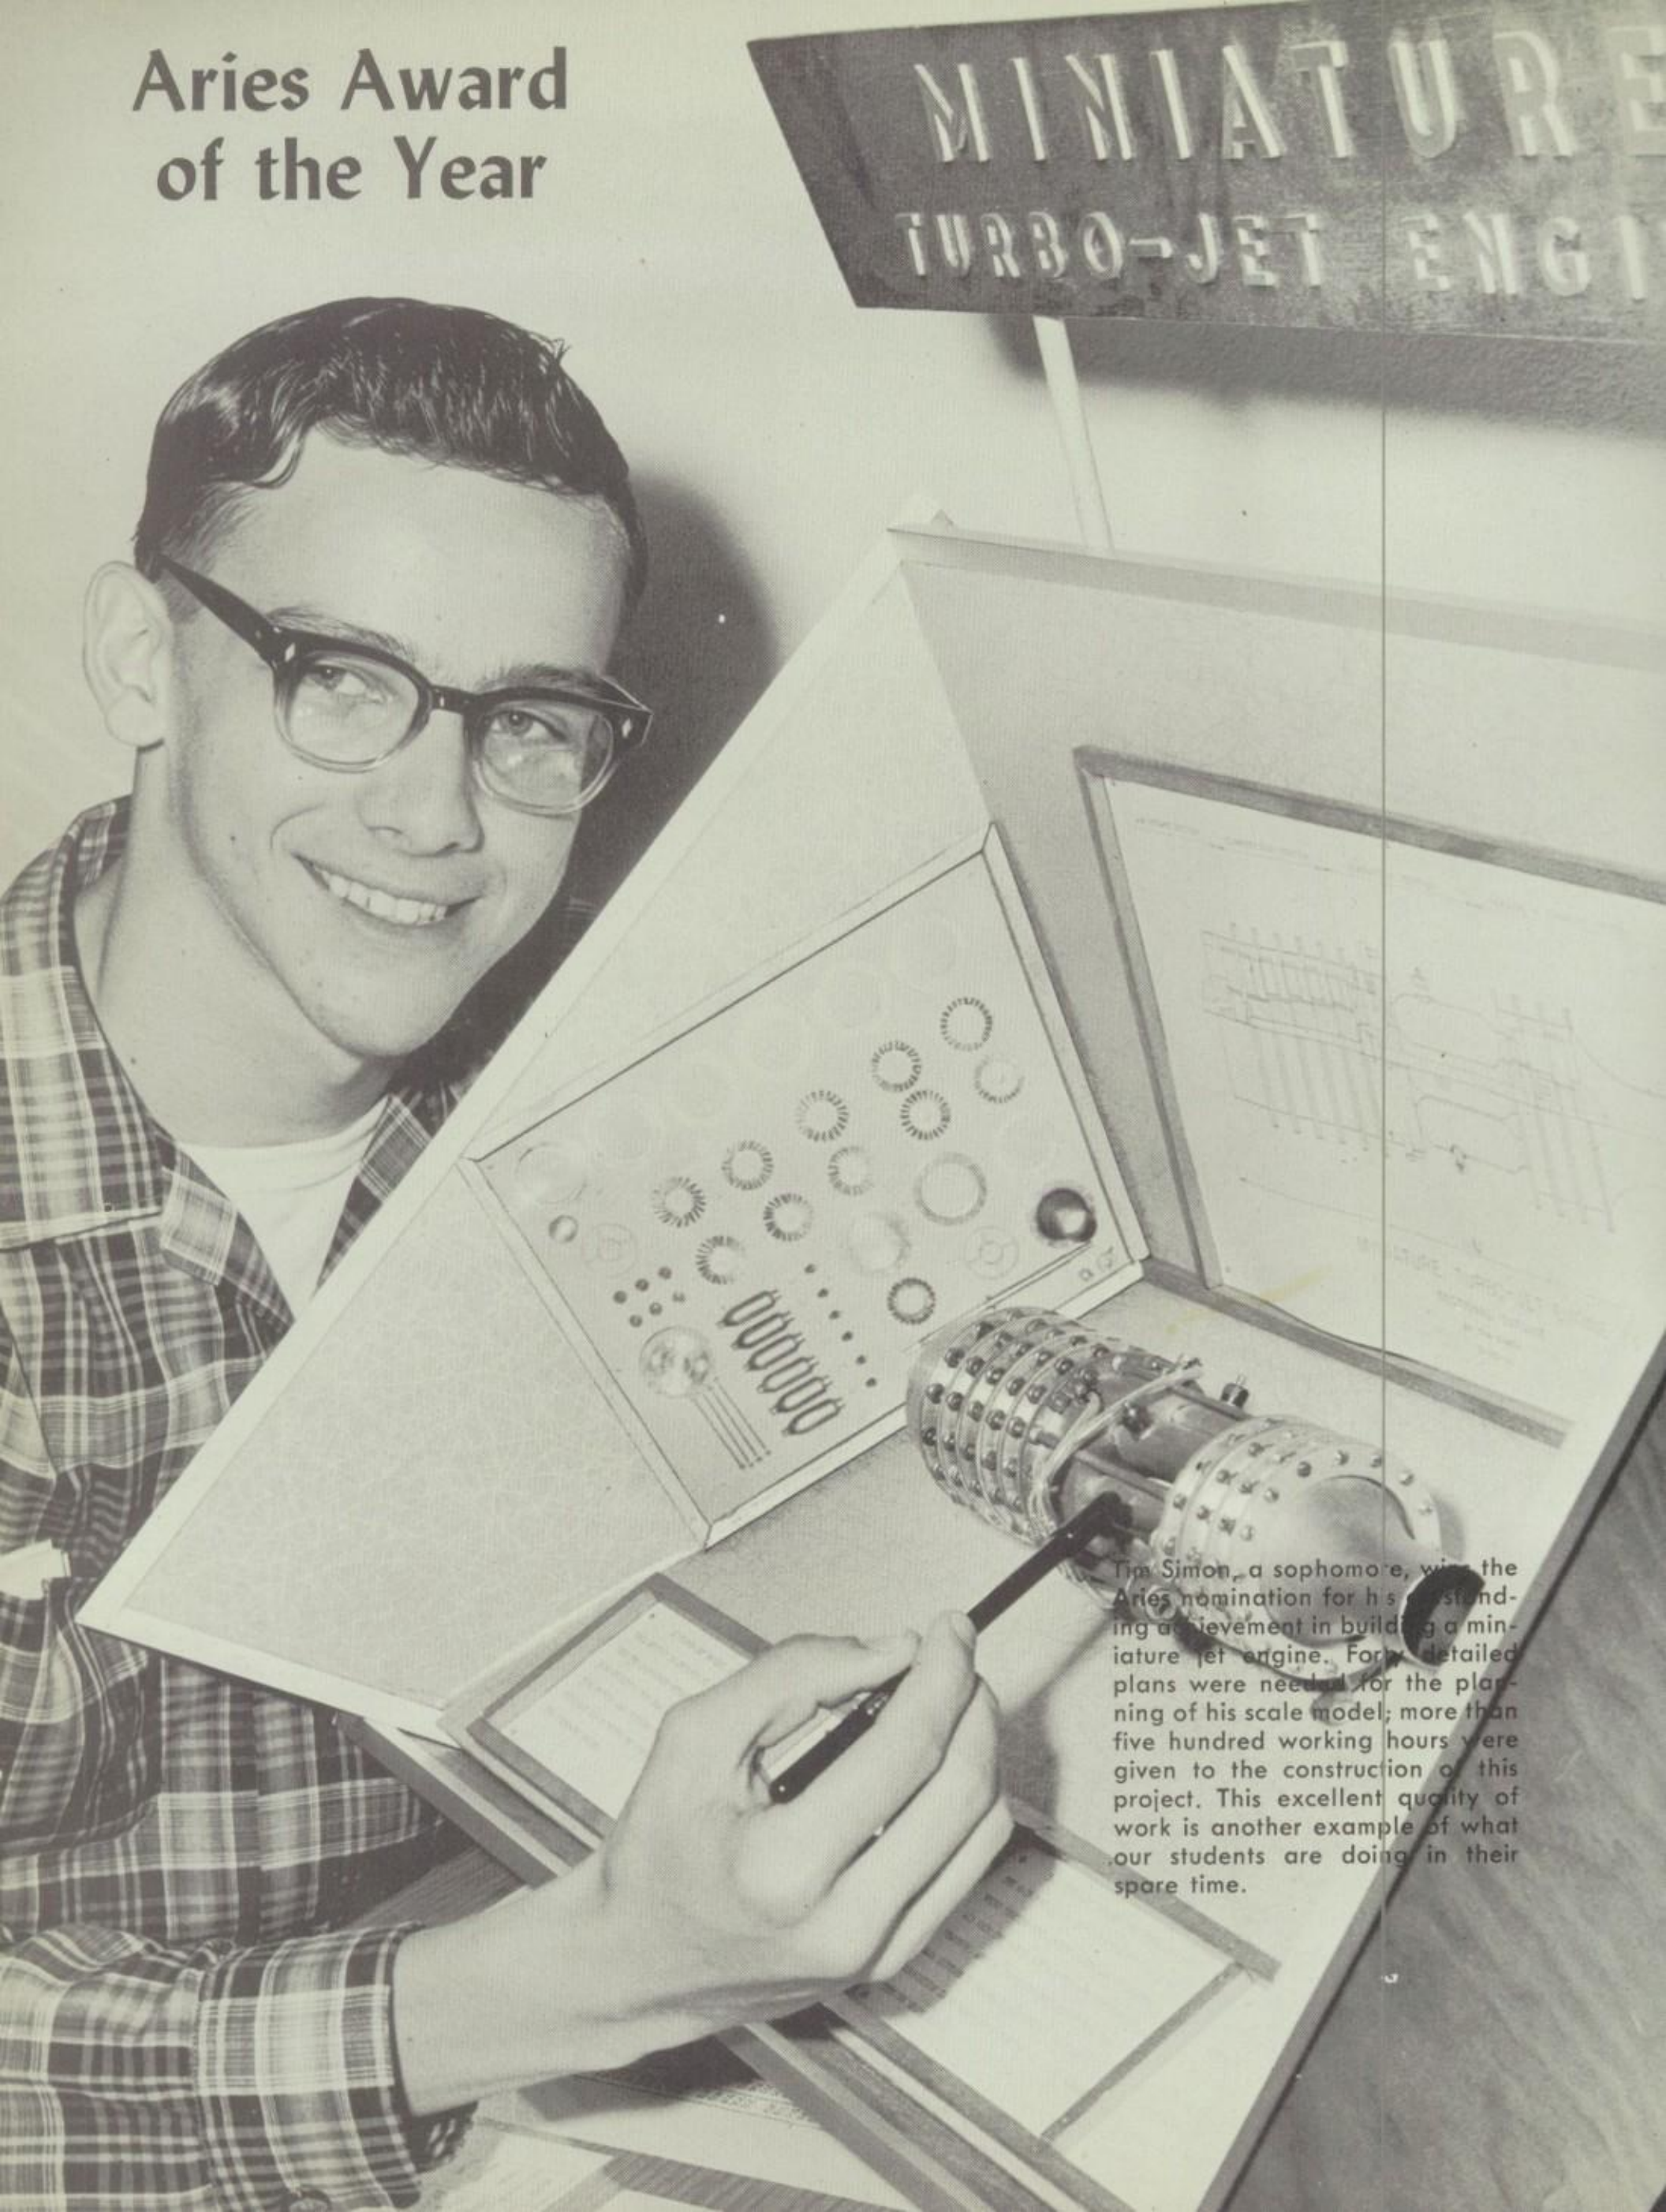
Kauru Kotani, Mike's constant companion, holds Julius Caesar, her dog.

Father Kotani and new son are an inseparable pair.

The Kotani children, Mike, Kaoru, and Tsutomu, pose before Mike left for America.

Mike writes in his diary at a Japanese desk in his own room.

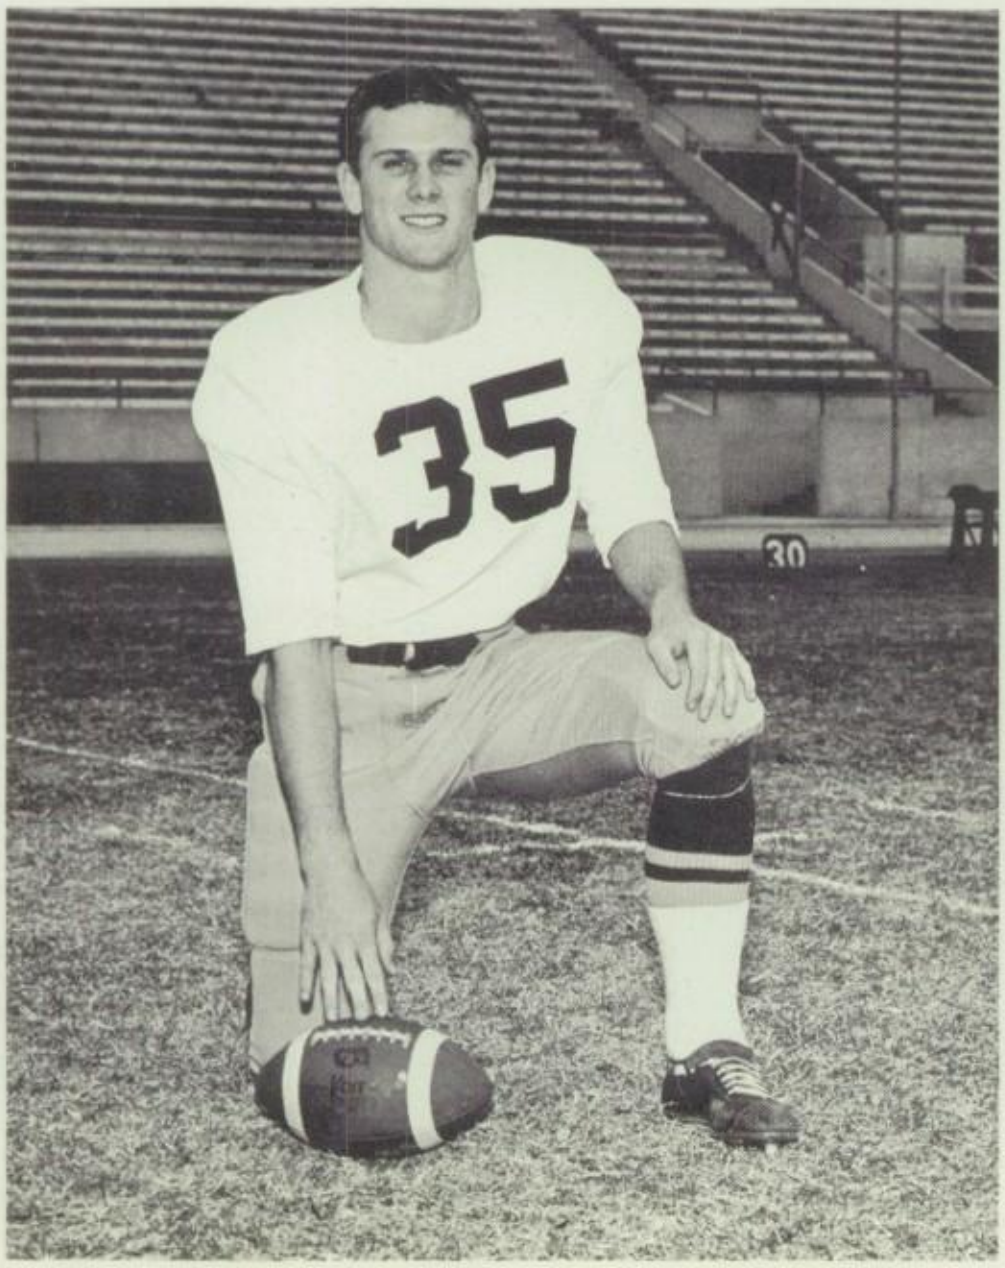
Aries Award of the Year



Tim Simon, a sophomore, wins the Aries nomination for his outstanding achievement in building a miniature jet engine. Forty detailed plans were needed for the planning of his scale model; more than five hundred working hours were given to the construction of this project. This excellent quality of work is another example of what our students are doing in their spare time.

Athletic Recognition

Each year a trophy is presented to one girl who has shown outstanding skill and talent in swimming on the Girls' Competitive Swimming Team. The trophy is awarded for all-around sportsmanship and leadership. Joan Morcom, the recipient of this award for the past three years, has contributed much to the success of the swimming team. Joan, attending fourteen of the fifteen swim meets, has been highest scorer in each one. She gained this fine record because she competed in all four strokes used in the competition. Joan feels that the effort she has put into swimming has been more than worthwhile because she has learned that the essential thing is not to have won, but to have fought well. Joan is truly deserving of being called a wonderful athlete.



Since the first day that John Champlin entered Millikan High School he has participated in some type of school team sport. John has played football during all three years of high school. In his sophomore year he was on the B team; in his junior and senior year he played fullback on the varsity squad. In his last year John received many honors. He was appointed League Champ by Long Beach football coaches, received the All-City Champion award, and was voted the most outstanding football player for Millikan High School. He was also a co-captain of the Millikan varsity squad. John also played varsity basketball and baseball. John is truly worthy of honorable mention, for he has added much to Millikan's fine athletic record during his last three years at school.

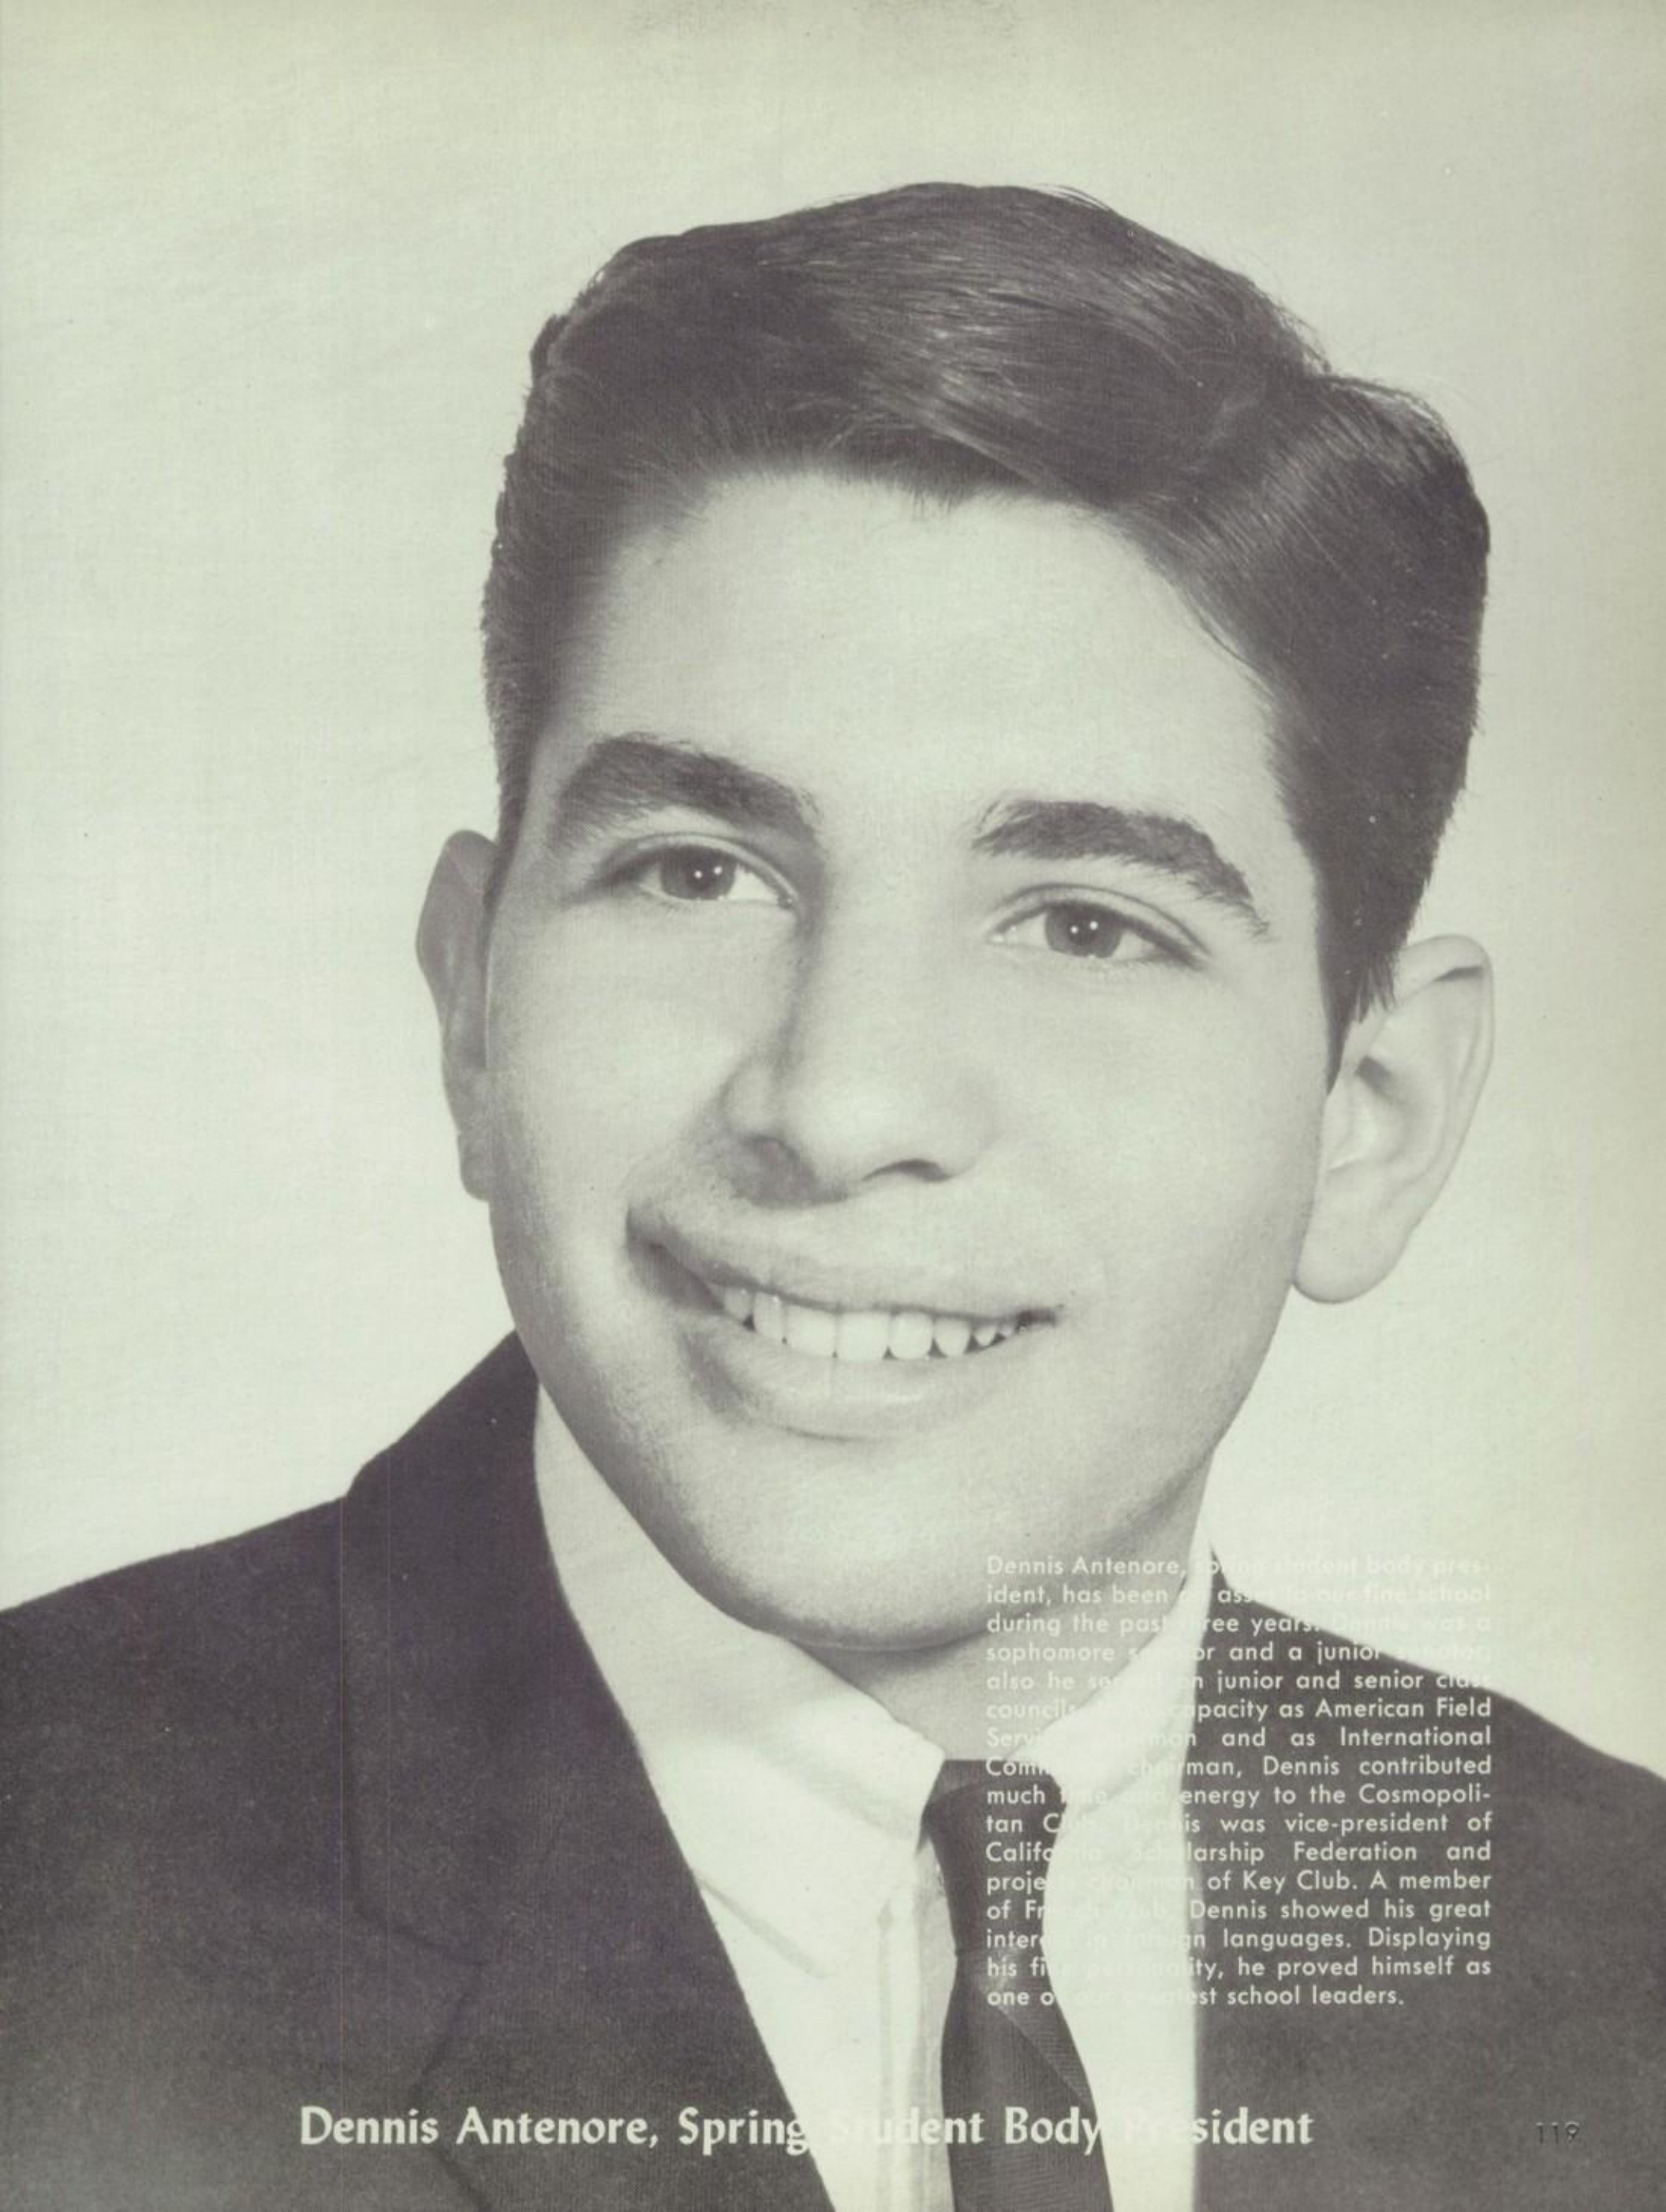
ACTIVITIES

Dick Williams, fall student body president, has displayed his leadership abilities throughout his high school years. When Dick was a sophomore at Carleton High School, he was vice-president of Key Club, sophomore treasurer, president of Boys League, and active member of Hi-Y Club. He also participated in B track and cross country. At Millikan, Dick contributed to the French Club, Pep Club, and Public Service-tium; he was vice-president of Key Club and the junior class. Dick excelled in the office of student body president, a position of great importance at our school.

Dick Williams, Fall Student Body President



Dennis Antenore, [spring] student body pres-
ident, has been [an] as[set] to our fine school
during the past [th]ree years. Dennis was a
sophomore s[en]ator and a junior [rep]resentative;
also he se[rved] on junior and senior class
council[s] in [the] capacity as American Field
Servi[ce] [repr]esentative and as International
Comm[ittee] chairman, Dennis contributed
much [time] and energy to the Cosmopoli-
tan C[lub]. He is was vice-president of
Califo[rnia] Scholarship Federation and
proje[ct] chairman of Key Club. A member
of Fr[ench] Club, Dennis showed his great
inter[est] in foreign languages. Displaying
his fi[ne] personality, he proved himself as
one o[f our] finest school leaders.

Mrs. Fenberg
Advisor

Richard Fuller
Spring Editor

Laurel Winnik, Mrs. Fenberg, and Dick Fuller discuss changes for the final copy.

Reporters and staff proof readers check their material before it is sent to press.

Maria Teresa Figueira de Mello, our A.F.S. Foreign Exchange student from Brazil, has brought the South American influence to our campus this year. Born and reared in Rio de Janeiro, Maria graduated from high school and completed two years of advanced schooling at Our Lady of Sion, a school generally attended before going to a university. Maria, who is seventeen, has traveled throughout eight European countries; studying painters and life in foreign lands are two of her greatest interests. Her favorite sports are volleyball and tennis. Maria's family consists of her parents and three brothers. In Brazil her father is a lawyer. She has enjoyed her visit in America, for she feels that it is wonderful to live in a country of good government, free education, and friendly people. Maria stayed with Susan Harris.

Foreign Exchange Students

Massimo Campitelli, honoring our school as an A.F.S. Foreign Exchange student from Italy, was born near Rome. Massimo, who is eighteen, graduated from Vilfredo, one of Rome's specialized high schools, during the past year; he has been accepted for an accounting position. However, he probably will attend the Statistical Sciences University of Rome. Massimo enjoys watching all types of sports and actively participates in the Pan-American team here. His two main interests are reading and listening to all kinds of music. Massimo's father, living with his mother, a brother, and a sister, works for the American Consulate for Cultural Exchange in Italy. Massimo thinks that Long Beach, as well as the remainder of America, is very beautiful; he especially likes the wonderful trees and flowers. He resided this year with Don Witcher.

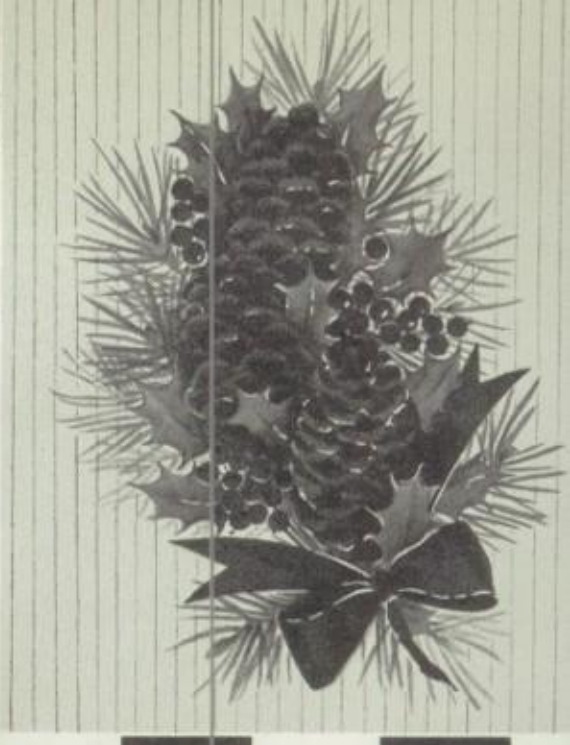
Millikan's orchestra, one of the finest in America, had forty members in the All-City Orchestra. Twenty students belonged to the All-Southern Orchestra; twenty members were in the All-California Orchestra. The Ram-Hi orchestra had an important part in the fall concert, Christmas program, A. F. S. concert, spring concert, and the spring musicale.

Memories of a Merry Christmas



A lovely Christmas mural set the mood for the dance.

The office Christmas tree was the setting for the Ram-Hi students who donated generously.

Christmas music, supplied by young musicians, brought the holiday spirit to Millikan.

The Christmas dance, a gala festive occasion, provided fun and a brief escape from school pressure.

"What a Life"

piece orchestra has been applauded nationwide and has been rate the finest in the state. We viewed our orchestra with pride two years ago, when Mr. Freed composed the "Zodiac" for Millikan's outstanding musicians. Since then the orchestra has been improving steadily. The climax of this year's activities was the Music Educator's Convention, held April 16 and 17 in Fresno. Our group performed beautifully at the convention, helping Mr. Pappone retain Millikan's high rating. Here are twelve of the happy, enthusiastic, accomplished musicians who attended the convention because Millikan's orchestra is the FINEST in the state.

Editors' Farewell

"BOOKS REVEAL to us the thoughts, the ideals, the aspirations of their authors. They only live when men and women open their pages and let them speak once more."

Monroe E. Deutch

It is the hope of the 1961-1962 ARIES staff that you will allow this book to live over again throughout the years. In pictures and words we have captured the events which have made this seventh year at Millikan a memorable reflection of our wonderful high school years.

The 1962 ARIES is completed, and between its covers lie you and your activities—activities which have helped establish lasting standards and traditions. The ARIES staff thanks you, the student body, for your co-operation and enthusiasm that have made this ARIES possible

To the guy I know
from my social class.
Its too bad that we
couldn't have got better
acquainted. But I already
know that you're going to be
one of our class' most successful
men. Hope to see you

If you had
never met me, what
use would I be.
Nice knowing you but I
might have to leave. Good Luck
